

Let's find the
BEST UNIVERSITY
BEST COURSE
for your career

Dear Sir/Madam, Greetings for the day.....

I hope this email finds you well. As per our discussion, I am writing to introduce FirstVITE E-Learning Pvt. Ltd., an esteemed education consultancy that partners with top-tier universities to offer online degree programs in various fields. We are pleased to offer Infosys employees the opportunity to pursue online education in **MBA, MCA, BBA, and BCA** programs from Manipal University, one of India's leading educational institutions.

collegevihar.com

We understand the importance of continuous learning and career advancement, which is why we have tailored this offering to meet the needs of professionals like your team. Here are some exclusive benefits we are providing:

The Last Installment by **MANIPAL UNIVERSITY**

Manipal University will bear the last installment of the course fees, further easing the financial burden for your employees. We believe this initiative will greatly benefit your team by providing them with an opportunity to enhance their qualifications while managing their financial commitments efficiently.

Should you be interested in discussing this opportunity further or require more details, please feel free to reach out. We would be happy to arrange a meeting to explain the programs and answer any questions you may have.

We are also providing 7 days free Classed or Infosys Employees which is mention below.

**100%
INTEREST
FREE EMI**

We offer flexible, interest-free EMI options, making education more affordable and accessible for your employees. First Installment by FirstVITE E-Learning Pvt. Ltd.: We will cover the first installment of the course fees, ensuring a smooth start for your employees in their educational journey.

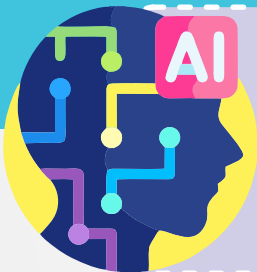

PERSONALITY DEVELOPMENT AND COMMUNICATION

Course, Communication skills and Personality development focuses on learning the important skill sets that helps you effectively and efficiently communicate your ideas and messages in simple ways and also on time. Understanding these soft skills related techniques for communication is valuable both for your personal situation (development) and at work place (for your professional career development). You can utilize these skills together with other skills like presentation skills in selling your business ideas (getting investors) and services, and promoting or marketing any idea, as well resolving conflicts in many situations, and negotiations.

DIGITAL MARKETING

Digital marketing is the component of marketing that uses the Internet and online-based digital technologies such as desktop computers, mobile phones, and other digital media and platforms to promote products and services.

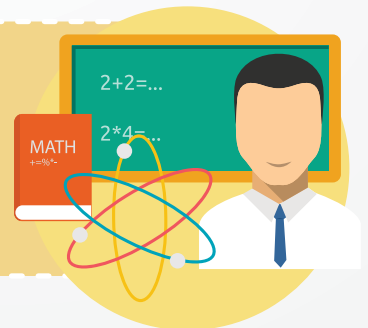

ARTIFICIAL INTELLIGENCE

Artificial intelligence (AI) is a set of technologies that enable computers to perform a variety of advanced functions, including the ability to see, understand and translate spoken and written language, analyze data, make recommendations, and more.

DATA DCIENCE

Data science is an umbrella term for all aspects of data processing—from the collection to modeling to insights. On the other hand, data analytics is mainly concerned with statistics, mathematics and statistical analysis.

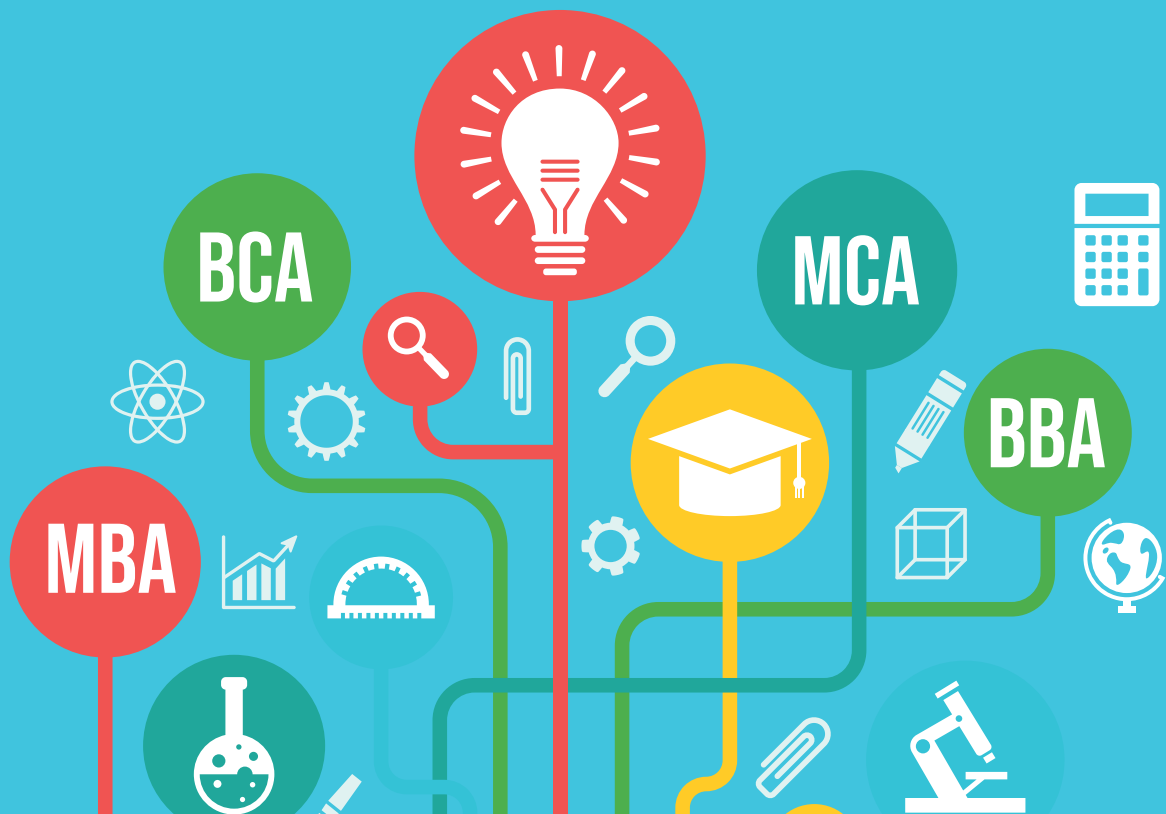

TIME MANAGEMENT

Learn time management techniques for productivity. Understand how to prioritize tasks, set goals, and manage time effectively. Thank you for considering FirstVITE E-Learning Pvt. Ltd. as your partner in education. We look forward to a fruitful collaboration with Infosys.

Thank you for considering FirstVITE E-Learning Pvt. Ltd. as your partner in education. We look forward to a fruitful collaboration with Axis Bank.
